

## **Chemical Engineering Program Objectives**

The following program objective was approved by the faculty on May 6, 2014, after receiving input from the undergraduate students (March, 2014) and department advisory committee (February, 2014).

### **Our graduates:**

- **will be confident in their ability to apply chemical engineering fundamentals.**
- **will be effective communicators and team members.**
- **will be highly ethical engineering professionals.**
- **will have the ability to pursue lifelong learning.**
- **will be proactive problem solvers.**
- **will embrace process safety.**
