

## Pre-Approved<sup>1</sup> Chemical Engineering Chemistry and Biochemistry

(NOTE: Chemistry and Biochemistry Electives ≠ Technical Electives ≠ Engineering Electives ≠ Bioengineering Electives)<sup>2</sup>

Updated: November 2012

Course #	Title		Offered Credits
BCH 380	Biochemistry	[F,S]	5
BIOM 360	General Microbiology	[F,S]	5
CHMY 323	Organic Chemistry II	[F,S]	4
CHMY 371	Phys Chem-Quantum Chem & Spectroscopy I	[F]	3

**Note 1:** The Chemical Engineering Curriculum requires 3 credits of Chemistry and Biochemistry Electives, but, if a 5 credit course (BCH 380 or BIOM 360) is taken, then 2 of those credits may be used as Technical Electives, leaving 9 credits required from the Technical Electives List.
